I would like to be a sponsor!

- Horse \$175 per month
- Miniature horse, pony or donkey \$100 per month

This covers their basic feed and deworming expenses. Sponsors have first choice for adopting their sponsored equine if and when he/she becomes available for adoption, and if it is in the best interests of the equine, as determined in the sole discretion of ESS. Please note: not all of our resident equines are available for adoption and sponsoring an equine does not mean that you are expected to someday adopt! Some are retired here at ESS or are valued ESS program partners and still need sponsorship, but are not seeking new homes.

Program Sponsors also needed!

I would like to sponsor the following ESS program:

- Equine assisted growth and learning activities (EAAT) (\$125 per private session average; any sponsorship amount appreciated!)
- Horses Helping Kids program (\$50 per child, per therapeutic riding lesson)
- Clinic / educational event sponsor. Costs per event vary. Any and all donations greatly appreciated!
